WORK EXPERIENCE

Freelance - Python Developer
2021–2024
As a Python Developer, I have created several distinctive projects that stand out from the norm.
- Developed a unique GUI-based calculator using Tkinter, which includes a BMI calculator and will receive future updates.
- Designed an efficient and responsive GUI-based Hotel Management System.
- Created a GUI-based Rock, Paper, Scissors game.

I possess strong experience with MySQL and have foundational knowledge in HTML, CSS, and C++. Currently, I am expanding my skills in AI and ML with Python.
